## PROFILE

A certified and IPMA NL 2024 gold award-winning international project manager with a passion for sustainability. I enjoy leading multidisciplinary teams and get energized by tackling complex, meaningful challenges. I have extensive experience leading projects that involve coordinating with multiple international stakeholders. My strong diplomatic skills and analytical mindset enable me to work effectively in dynamic, politically sensitive settings. I am proactive in driving initiatives forward and adept at meeting tight deadlines without compromising quality. I moved to Boston in May 2024 and started my consulting firm Myrthe Darweesh Consulting.
